

# ONLINE ENROLLMENT IS EASY

## 2009 FRINGE FACTS® ONLINE SURVEY RESULTS

93% of surveyed employees agree that the online enrollment resources are easy to use.\*

### FEATURES INCLUDE:

- Plan Comparisons
- Decision Support Tools
- Eligibility Management
- Wizards
- Links to Providers

A user-friendly format and a variety of online resources allow employees to easily understand and navigate through their personal benefits package. The application's simplicity, along with detailed explanations and instructions, helps to alleviate feelings of frustration commonly felt by employees researching and deciding upon a benefits package.

\*Results from FFOL client survey for 2009 plan year
