

# NON-WORK LOCATION

---

## 2010 FRINGE FACTS® ONLINE SURVEY RESULTS

48% of surveyed employees used the online enrollment service from a non-work location.\*

### FEATURES INCLUDE:

- 24/7 Access
- Convenience
- Security
- Ease of Use

Personalized plan information is available 24/7 when employees use *Fringe Facts Online*. Employees who feel in control and more knowledgeable about their options are far more equipped to make the best decisions possible for their particular situation. When employees have time to truly understand their benefits package, they are less likely to be frustrated during enrollment and have greater confidence in their elections.
